

## Official Release of BYD Battery-Box Premium LV and Victron Energy Compatibility

Dear Valued Customers,

### BYD Premium LV & Victron

Thanks to the hardwork of the engineering team from BYD and Victron Energy. We are happy to announce that the compatibility between BYD Premium LVL / LVS and Victron inverters/chargers is officially released by both parties. Please find below the necessary information to assist the installation and configuration. Configuration list can be found in the download center.

BYD Global:

<http://www.bydbatterybox.com>

Europe

<https://www.eft-systems.de/de>

APAC

<http://alpspower.com.au>

Victron Energy:
